Printing Report:

Click on the print icon  to print this report as it appears on screen.

Export Report Data:

Exporting data to Excel will allow you to sort, filter and change data. There are two export options located in the top right corner of each report.

- Option 1** *Excel 1* Icon  is a formatted Excel sheet that looks very similar to the report displayed on the screen. All totaling formulas are written within the spreadsheet so any changes made to the data will be reflected in the totals
- Option 2** *Excel 2* Icon  is an unformatted Excel sheet that has the same raw data as that of Excel 1, but without subtotals and headers.
